

COVID-19 changed the way we work. Do you have the right answers?

- How do I know which leave law applies to my employees?
- My employee works less than 40 hours per week, so does that mean the employee is entitled to more than two weeks of emergency paid sick leave to get to a total of 80 hours?
- How do I know how much emergency paid sick leave my part-time employees can use?
- What if a request for leave was made prior to FFCRA's expanded FMLA and the leave has not been taken yet? Which leave law should I use to administer the leave?
- How much do I have to pay my employees for emergency paid sick leave?

If you're looking for the right answers to your leave administration questions, you need assistance you can trust.
